EXPERIENCE

The Agency at DCG ONE

Production Designer (April 2022 - June 2023) Designed various types of print collateral and digital assets, including direct mail, booklets, large-scale signage, banner ads and social media posts. Lead production designer at The Agency for Guaranteed Rate, independently managing projects and communicating directly with clients. Worked daily in multiple project management and communication systems throughout company acquisition and reorganization with team members and clients in Midwest and East Coast. Other clients include American Express, Amazon Prime, bttn, Swedish Providence.

Wongdoody

Studio Artist (Aug 2019 - April 2022)

Responsible for daily production of T-Mobile retail collateral, including promotional offers, device launches and way finding signage. Highly skilled at adhering to brand guidelines, performing quality checks and ensuring consistency across promotional offers. Aid in training new hire and freelance production artists, helping to familiarize them with T-Mobile brand guidelines and WONGDOODY Studio processes.

Eagle Media Lab

Production Artist/Graphic Designer (Jul 2018 - Jul 2019) Award-winning designer for newspaper layouts, special sections and advertisements for bi-weekly local newspaper. Worked with remote teams of reporters, editors and ad sales to build print editions on tight deadlines. Responsible for building and delivering final press-ready files to on-site press.

Pediment Publishing

Production Artist II (June 2015 - Dec 2017)

Designed page layouts and book covers for fine art coffee-table books. Designed marketing collateral including newspaper ads, print order forms, web banners and social media graphics. Collaborated with clients, project managers and editors to meet deadlines. Organized photo libraries, archived projects and performed pre-press checks. Worked in Adobe InDesign and Adobe Photoshop. Wrote content marketing blog posts.
